NEW WINDSOR PLANNING BOARD NO. 01-41

Dear Mr. Burns:

The Town of New Windsor Planning Board has received an application for Site Plan approval for a 124 unit multifamily complex located off NYS Route 300 within the Town. The Planning Board has determined that the applicant will be required to obtain a Highway Work Permit from your Department.

We are forwarding herewith a copy of the plan submitted with the application for your review and comment. We request that you notify the Planning Board of any concerns regarding this application, which should be considered by the Board during their review of the project.

***It is not the intent that these plans be considered the plans required for the Permit application, as these will be the responsibility of the applicant following site plan approval from the Town.***

We look forward to your input regarding this application before the Board.

Very truly yours,

TOWN OF NEW WINDSOR PLANNING BOARD
